

The Footprints Foundation

"Be about doing something not about being somebody"

THE FOOTPRINTS FOUNDATION SOUTH AFRICA

Do you want to change your world?

The Footprints Foundation is working with a number of children's homes, orphanages and schools, helping them to improve their premises and counsel and educate the children in their care.

As a Footprints Foundation project volunteer there are a wide variety of tasks, both manual and non-manual in which you could take part. The list is endless. Every project is designed around the skill sets of the volunteers involved.

Would you like to join us for 7 days in September/October 2018?

You will need to fund raise £2,000 which covers:

- **Return scheduled flights to Johannesburg, South Africa**
- **Accommodation costs in South Africa**
- **All meals for the duration of the trip**
- **Transport costs to and from the airport in South Africa**
- **Transport costs to and from site each day**
- **Full organisational support pre the project start**
- **A dedicated Project Leader during the project trip in South Africa**
